### **Cautionary Statements**

*Certain statements contained in this news release may contain forward-looking information within the meaning of United States and Canadian securities laws. Such forward-looking information is identified by words such as "estimates", "intends", "plans", "expects", "believes", "may" and "will" and include, without limitation, statements regarding the undertaking of a comprehensive review of the overall strategy, assets and operations of the Company with a view to advancing the Company's New Mexico beryllium and rare earth project. There can be no assurance that such statements will prove to be accurate; actual results and future events could differ materially from such statements. Factors that could cause actual results to differ materially include, among others, lack of funding and regulatory hurdles. Reference is made to the risk factors contained in the Company's annual report on Form 10-K for the year ended December 31, 2010. Most of these factors are outside the control of the Company. Investors are cautioned not to put undue reliance on forward-looking information. Except as otherwise required by applicable securities statutes or regulation, the Company expressly disclaims any intent or obligation to update publicly forward-looking information, whether as a result of new information, future events or otherwise.*
